

9/9/20

During the pandemic, the AMLP Lobby remains closed to customers and visitors. We do have a sliding window adjacent to the front door where we will continue accepting cash payments. Please wear a mask for your protection and ours.

Please use the driveway drop box for checks or money orders. The contents are collected the morning of every workday. For electronic payment visit *Paying Your Bill*.

Thank you for your continued patience. We will only get through this difficult and challenging period by working together.

The AMLP Staff
