ASHBURNHAM, MASSACHUSETTS

PURCHASED POWER COST ADJUSTMENT PPCA
NYPA* ADJUSTMENT CLAUSE

PURCHASED POWER COST ADJUSTMENT "PPCA"

APPLICABLE: To all kilowatt-hours sold under MDPU numbers 86, 87, 88 and 90.

RATE

The AMLP may, at its option, from time to time adjust bills by a charge or credit applied to monthly kilowatt hours which reflects the difference between purchased power collected and purchased power billed to or incurred by the AMLP. Such a charge or credit will be determined by the AMLP on an as required basis.

NYPA ADJUSTMENT CLAUSE

APPLICABLE: To all kilowatt-hours sold under MDPU number 86.

RATE

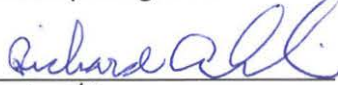

- (A) The average cost of power from the AMLP's NYPA purchases will be determined on a per kilowatt-hour basis;
- (B) The average cost of comparable replacement power for the AMLP's NYPA purchases will be determined on a per kilowatt-hour basis;
- (C) The difference between (B) and (A) above will be multiplied by the kilowatt-hours purchased from NYPA to develop the actual NYPA savings;
- (D) The NYPA credit in cents per kilowatt-hour will be determined by dividing the NYPA savings by the total kilowatt-hours sold under MDPU number 86.

MDPU 95 Cancels MDPU 92
